RESPONSE TO FINAL OFFICE ACTION MAILED 19 DECEMBER 2005

Applicants submit the following response in reply to the Office Action mailed on the above indicated date. Pursuant to a telephone conversation between the undersigned and Diego Gutierrez on 8 March, 2006, it was agreed that the Office Action mailed on 19 December 2005 was incorrectly designated as a "Final" Office Action. The examiner introduces new grounds for rejection (based on the *Tanizaki* et al. reference) that are neither necessitated by Applicants' amendment of the claims (independent claim 34 has never been amended) nor based on information submitted in an information disclosure statement (no IDS was submitted). Accordingly, Applicants' respectfully request withdrawal of the "Final" Office Action designation. Reconsideration and reexamination of all claims are respectfully requested in light of the remarks below. Applicants believe that no fees should be required by this response. However, if any further fees or charges are required, the Commissioner is hereby authorized to charge them to Deposit Account 18-1167.
